Moving Day: On Monday, May 31 the band program will be moving into our new facility at Vandegrift High School. We will be moving from 8:00 AM-12:00 PM and 1:00-5:00 PM. We need as many people as possible...with a united effort we can move the entire facility in one day. We are also in need of trucks or large SUV type vehicles to transport the equipment. Please let me know if you are available to help or if you have a vehicle we can use.

Pet Clinic Fundraiser: on Sunday, June 6 Vanguard Veterinary Associates have offered to provide Low Cost Pet Vaccinations where a portion of the proceeds will benefit the VHS Band Program. The Pet Vaccination Clinic will be held in the parking lot at the front of Four Points Middle School. I have attached a flyer that can easily be distributed to all of your “pet owner” friends and family. Please let me know if you have any questions.

Band Physicals: Four Points Chiropractic and Steiner Ranch Primary Care have offered to give half of the physical cost to the VHS Band Program if the student/parent mentions they are a member of the band. The cost for physicals last year was \$24.

Official Band Calendar: Online: www.vhsband.com. There will be no paper copies of the band calendar. Updates will occur occasionally. It is your responsibility to stay current with this calendar.

CDL Licensed Band Parent: We are in need of parents who are OR are willing to get CDL licensed to drive the tractor / trailer for the band. We are in desperate need! Currently there is only one licensed driver for the program, and there are conflicts with his schedule! PLEASE HELP Contact Mr. Spicer if you are interested. These volunteers get us to all of our events at no cost to the band.
